March 2017

Dear Clare,

Celebrating your high attainment, progress and closing the gap

On behalf of SSAT, I would like to congratulate you, your staff and students on your achievements in the last year.

Each year SSAT releases the **Educational Outcomes database** combining three official DfE and Ofsted sources to provide key contextual and performance data on every state-funded school in the country, exclusively for members. Schools can use this to profile and benchmark their achievements, and SSAT use it to identify recipients of **SSAT Annual Educational Outcomes Awards**.

I'm pleased to announce that this means **you've won three Educational Outcomes awards for 2016**: your school is in the top 20% of non-selective schools nationally for attainment and the top 10% for progress in the 2016 end of KS4 examinations. This is based on your students' best 8 average point scores at key stage 4. Your third award recognises your success in achieving high levels of performance for your students eligible for the pupil premium. We are pleased to enclose a sample press release to help you communicate your success to parents, the community and local press and we will shortly be sending you an Award logo that you can add to school stationery and your school website.

You will be invited to a celebration event in the summer term where I'll be delighted to present you with your SSAT Educational Outcomes Award certificates personally. Your constant hard work and dedication to your students is an inspiration to the community and we are happy to highlight and share this with the network.

As an SSAT member, you can access the Educational Outcomes database online by signing into our member-exclusive area **the Exchange** at ssatuk.co.uk/the-exchange. If you require any assistance with logging in, please email your SSAT Relationship Manager on RMteam@ssatuk.co.uk. If you would like more specific details about the performance of your school in relation to national outcomes, particularly in light of your achievements above, you can do this by applying the filters on the last tab of the spreadsheet.

Your Relationship Manager will be in touch shortly with further invitation details. Our sincerest congratulations once again to you, your team and your students.

With best wishes,

A handwritten signature in black ink that reads "Sue Williamson". The signature is written in a cursive, flowing style.
